

Fangate Community Guidelines Version 1.0.12 (07-11-25)

1 | Allowed Content

- **Original or properly licensed files only.** You must hold the copyright or a valid license for everything you upload.
- **18 + mainstream or adult material** featuring **consenting adults** who have passed our KYC check.
- Formats supported: images, videos.

2 | Absolutely Prohibited Content

Fangate automatically blocks any material that depicts, describes, or even *suggests*:

Category	Examples (non-exhaustive)
Child Sexual Abuse Material (CSAM)	Any sexualised reference to minors; “teen” must be clearly marked 18 +/19 + .
Non-consensual or exploited activity	Rape, force, sleep/unconscious, intoxication, trafficking, voyeur/hidden-cam.
Bestiality & non-human creatures	Animals, monsters, fantasy creatures, cartoons depicting bestiality.
Incest	Sexual activity between biological relatives; many acquirers also ban “step-” role-play wording.
Extreme violence or weapons	Blood, mutilation, pain, visible knives, guns, or weapon references.
Drugs, alcohol, paraphernalia	Use or visible presence of illicit drugs/abuse of prescription drugs; alcohol in sexual scenes.
Necrophilia, death, “snuff”	Any depiction of death or sexual activity with a corpse.
Hate speech & illegal activity	Content that promotes hate, terrorism, or unlawful behaviour.
Intellectual-property violations	Unlicensed clips, music, imagery, celebrity likenesses, counterfeit goods.

3 | Uploader Obligations

1. **Age & Identity Verified** – You must pass a standardized KYC flow (government ID + liveness) before your first upload.
2. **Copyright Attestation Per Upload** – You must tick the copyright confirmation box for every file; the upload will not proceed without it.
3. **Accurate Metadata** – Titles, descriptions, tags, and thumbnails must not mislead or hide prohibited themes.
4. **No Spam or Malicious Links** – Do not use Fangate to distribute malware, phishing, or bulk unsolicited messages.

4 | Enforcement

- **Pre-publication filters** – Automated hash-matching, AI analysis, and manual review block disallowed files before any sales link is activated.
- **Zero-Tolerance Removals** – Prohibited content is removed immediately; we reserve the right to submit a monthly “Website Content Violations” (or zero-incident) report to processors.
- **Repeat-infringer sanctions** – Two or more valid takedowns may trigger account suspension and payout holds (see Terms of Service Repeat-Infringer Policy).
- **Legal referrals** – CSAM or other criminal material is reported to the relevant authorities without notice.

5 | Reporting Violations

If you spot prohibited material or a rights violation sold via Fangate, please follow the steps in our DMCA & Content-Removal Policy. We review and act on all valid reports within **7 days**.
